## Greetings from Pastor

Greetings dear ones, once again I thank God for the privilege of being able to reach you through this medium. I pray that you are holding fast to God and continuing in the victory He has given you. Although I was away for most of the month of April doing the work of the Lord in Melbourne Australia my prayers were with you. It was a pleasure to be able to minister to the saints in Australia and a blessing to meet new people. God is God in any country, city or town! I hope you are presenting the God that

saved you to everyone you encounter for that is what we are all called to do.

Since coming back from Australia I have been pressed by the spirit to preach and teach dedication and commitment to God and to impress in your spirit how different the church must be from the world! This month's message "teach them" presents the importance of teaching our children to uphold the standard, the beauty and the greatness of the

church no matter what is going on in our lives. We must teach them to love God and to keep His commandments. There is a difference between the church and the world and we must fight to keep the distinction. The church must not allow the world to infiltrate the church but the righteousness of God must flow freely. Once again I pray you will be blessed by the word and your commitment level will increase.

## Word of Life (Thursday night Bible class review)

The first half of this month we dedicated our Thursday nights to prayer. We were pressed with various issues and concerns and knew only God could solve them, so we made our petitions known to God. We are happy that we serve a God that can be touched with the feelings of our infirmities and He hears and answers prayers!

The first bible class for the month dealt with "When our needs exceed our demands" a topic we can all relate to as we are in this time of financial,

emotional and spiritual testing. We must however, remember that as Christians we do not only have hope in this world but we can rely on God's word – living off Kingdom principles. 1) **Faith** is the first step and principle. We must believe God's word no matter what our circumstances are. 2) Next step is **Action**. If we don't believe we will not do, but once we believe we will step out and do what God says. 3) The Challenge: our present circumstance will challenge the first two steps. Your faith and

willingness to 'do' will be challenged by your circumstances. 4) Our Will: we now have to will ourselves to do God's will. You cannot separate your faith from your will. You must will yourself to do what you believe! Give God something to work with and He will do the rest. The Shunimite women made Elijah a cake first and her oil kept flowing. The little boy gave up his 5 loaves and 2 fishes and Jesus fed 5000. What have you given up so God can use it to bless you and others?

I will lift up mine eyes  
unto the hills, from  
whence cometh my help.  
My help cometh from the  
LORD, which made  
heaven and earth

Psalm 121:1-2

## Spring of joy – word of encouragement

### You're Always There for Me

When the world comes  
crashing in  
And chaos rules my  
mind,  
I turn my heart to you,  
Lord,  
And pure, sweet peace  
I find.

You lift me out of  
trouble  
You comfort me in  
pain;  
You nourish, heal and  
cleanse me,  
Like cool, refreshing  
rain.  
In times of joy and  
bliss,  
When things are  
going right,

You lift me even  
higher,  
And fill me with  
delight.  
You listen to my  
prayers;  
You hear my every  
plea;  
I'm safe because I  
know  
You're always there  
for me.
